Policy

1. Protection of fees paid in advance

- Anderson protects the fees that are paid in advance by both domestic and international students.
- For domestic students, fee protection is ensured through:
 - Anderson holds current membership of a Tuition Assurance Scheme approved by ASQA. If Anderson is unable to provide services for which a student has prepaid, the student: will be placed into an equivalent course such that the new location is geographically close to where the student had enrolled with Anderson and the student will receive the full service for which they had prepaid at no additional cost to the student. If an equivalent course cannot be found, the student is paid a refund of any prepaid fees for services that are yet to be delivered above the \$1500.
- For international students, fee protection is ensured as follows:
 - Anderson pays into the Tuition Protection Service (TPS). The TPS is an initiative of the Australian Government. The role of the TPS is to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that in such circumstances international students are provided with either an alternative suitable course with another education provider or a refund of their unspent tuition fees.
 - In accordance with Section 27 of the ESOS Act, 2000 (Cth), Anderson does not require international students to pay more than 50% of their course fees prior to course commencement. Note, however, that where a course is less than 25 weeks, Anderson may require students to pay the full cost of the course prior to course commencement.
 - All tuition fees paid in advance will be held in a separate bank account that can only be drawn down once the student has commenced their course. For the purposes of this policy, this bank account will be referred to as the trust account. These tuition fees are held in the trust account, separate from the day-to-day operating bank account, so that if a refund is payable before a student commences, a refund can be made in a timely way without impacting the financial operations of the business or recourse to the fee protection measures in place. The trust account is maintained with an Australian owned ADI (authorised deposit taking institution).
 - Anderson will ensure all fees received for international students are paid into this account within five days of receiving the funds.
 - Anderson ensures that, at all times, there is a sufficient amount in the trust account to repay all tuition fees paid in advance to every international student or incoming international student in respect of whom it has received tuition fees from and who has not yet begun the course for which has been paid.
 - Anderson will only draw down from the trust account if:
 - A refund needs to be made for tuition fees paid in advance
 - Anderson has arranged for a student to be offered a place in an alternative course at its own expense, and the amount is withdrawn to pay the alternative provider that student's fees.
 - The amount is withdrawn to pay the TPS Director.
